

Benton Graphics Inc.

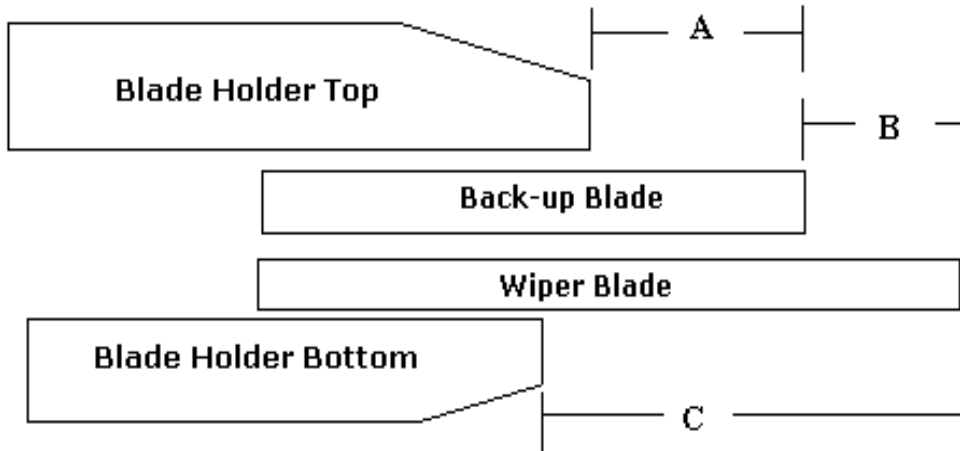

Bonded Blade Setup Sheet

Please fill out this sheet as it will help us to configure a Type-F Bonded Blade that will best suit your application. Please fax this form back to us at:

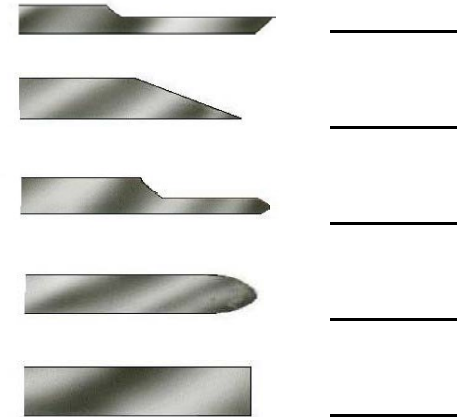

609/587-9890

Once we have received this completed form, we will then send several no charge sample blades for your evaluation. If you have any questions, please call us at 1-800-223-0093.
